Day 2-3: Your Mind & Body Sessions

On our Pilates & Walking holidays, your day will be divided into morning Pilates sessions and optional guided walks in the afternoon. Highlight: Exploring the chainsaw carvings of animals by the local “chainsaw sculptor” Day 3 - The Gaerstone and Cwms Lane Distance: 4.5 miles (7km) Ascent: 650 feet (200m) In summary: From Longmynd House we walk through Church Stretton and then around Helmeth Hill. We make our way back along the old Cwms Lane and Church Stretton. Highlight: Stunning views of the Gaer Stone.

Day 4: Departure Day

Enjoy a leisurely breakfast before making your way home.

Longmynd Hotel

For rural calm in the Shropshire Hills National Landscape, the location of this characterful country house is hard to top. Set in a wooded hillside just a short stroll from the market town of Church Stretton (nicknamed Little Switzerland for its picturesque landscape), you'll be within walking or driving distance of the Stiperstones, Caer Caradoc, Ironbridge Valley of Invention, and the historic towns of Ludlow and Shrewsbury. And then, of course, there's the Long Mynd itself – an area of registered common land that has been cared for by a group of farmers (the self-named commoners) who have grazed sheep and ponies here for generations.

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Walking safety - SHARED WITH ALL

Walks may be changed for safety reasons and are subject to a maximum and minimum number of guests. Leaders always consider the safety of the group as a whole, and may need to alter or curtail the walk if the conditions dictate. Your leader may refuse to accept a guest where clothing, equipment or behaviour is unsuitable. In the event of a problem all leaders carry a mobile phone, first aid kit, group shelter, spare maps and a compass. Please note: If you choose to leave the group your leader is no longer responsible for you. If you have a particular health condition or disability please put this on your guest registration form. This information will be confidential to your leaders and the house manager, but leaders do need to take account of any issues when planning walks. Please carry a copy of these trip notes with you, or note down the contact phone number for your accommodation (details in the travel section) should you need them in case of emergency.

Packing list - Pilates & Walking

Mind & Body sessions No special clothing is required for your Mind & Body holiday, but it is recommended that you wear loose-fitting clothes to facilitate easy movement. There may be some lying down work, so you need to bring an exercise mat and a small blanket. Walking The UK has a famously unpredictable climate so it's best to be prepared for weather that's sunny one minute and raining the next.
