ITINERARY

Day 1: Arrival Day

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

Day 2-3: Full on Walks

These walks are ideal for those with more stamina who can push themselves to go that extra mile. Some routes will start from the house, but some may require the use of a car. Public transport may not be possible for every route in this category due to remote locations. The walks you'll find in our Discovery Point at Coniston range from 8 to 10 miles and visit popular fells such as the Old Man of Coniston, the Langdale Pikes, and Wetherlam.

Day 2-3: Laid Back Walks

Our easiest selection means walking at a relaxed pace, often stopping and spending time at places of interest along the way. Some are circular walks that start and end on the doorstep of our country house; others make use of local transport whilst remaining close to the property. The walks you'll find in our Discovery Point at Coniston range from 2 to 5 miles and visit popular areas such as Tarn Hows, Wray Castle and Rydal Water.

Day 2-3: Leg Stretcher Walks

These are a selection of longer walks on well-graded paths that allow you to discover local highlights and viewpoints. These routes are often further from the house but still offer walks that start and end on the doorstep of the property, plus options for guests travelling by public transport or car. The walks you'll find in our Discovery Point at Coniston range from 6 to 8 miles and visit popular areas such as Grasmere, Hawkshead and Elterwater.

Day 4: Departure Day

Enjoy a leisurely breakfast before making your way home.

Monk Coniston

With a desirable address overlooking Coniston Water (the inspiration for Arthur Ransome's 1930 novel, *Swallows and Amazons*), this characterful Grade II-listed house delights with lakeside and woodland walks from the doorstep, décor that stays true to the period feel, and plenty of Beatrix Potter references. While the children's author and illustrator did not live at the Monk Coniston estate (her beloved home was Hill Top, bought in 1905 with the royalties from *The Tale of Peter Rabbit*), she campaigned with the National Trust to save it from development. She then purchased the entire estate in 1930 and as the new owner she immediately sold half to the organisation, bequeathing them the other half in her will.

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Walking safety - SHARED WITH ALL (Self-guided)

Please complete and hand in your registration card to the House Manager on the first evening of your holiday. Please complete our Independent Walker Card each day before heading out on your self-guided walks. Please note the phone number of the accommodation where you are staying (see Travel details section of your trip notes). Check the weather forecast - this is updated regularly and displayed on the Discovery Point. Be prepared for the weather to change during the day and wear appropriate footwear such as walking boots. We would recommend that you wear or carry a waterproof jacket and trousers, a spare warm jumper or fleece, hat and gloves. In addition, we recommend a water bottle, spare food, map, compass, torch, whistle, small first aid kit and survival bag. Take a copy of a map and a route card. Be aware of ticks – more information can be found at the Discovery Point.
