Holnicote House

There's plenty to look forward to at this beacon of Somerset hospitality near the impossibly pretty village of Selworthy. The location couldn't be more perfect; within rolling-out-of-bed distance from Exmoor National Park and an easy drive from Dunster Castle, Coleridge Cottage, the twin villages of Lynton and Lynmouth, and the sandy delights at Porlock and Minehead. The walking opportunities here are standout, too, not least for the trails around the Quantock Hills, Dunkery Beacon, Bossington, and a section of the England Coast Path that takes you on a glorious journey along the county's coastline.

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Safety information - SHARED WITH ALL (Family walking)

Who's the boss? Please note that parents are responsible for their children at all times; our leaders are not permitted to run activities without other adults present. All leaders undergo a thorough assessment so you can relax and enjoy your holiday knowing that you are in safe hands. On the first evening of your holiday, your leaders give a short talk about safety on walks which we would like you to attend. Walks may be changed for safety reasons and are subject to a maximum and a minimum number of guests. Leaders always consider the safety of the group as a whole and may need to alter or curtail the walk if the conditions dictate. Your leader may refuse to accept a guest while clothing, equipment, or behaviour is unsuitable. In the event of a problem, all leaders carry a mobile phone, first aid kit, group shelter, spare maps, and a compass. Please note: If you choose to leave the group your leader is no longer responsible for you. If you have a particular health condition or disability please put this on your guest registration form. This information will be confidential to your leaders and the house manager, but leaders do need to take account of any issues when planning walks. Kids on their own: Any teenager aged 14 years or over can leave you at the starting line and join a walk unaccompanied on the basis they can look after themselves. Children under 14 will need to be accompanied by an adult on walks; however, this does not need to be a parent or legal guardian.

Please note, coaches used on this holiday all comply with UK law, and may not have seat belts suitable for children. Where children are under 3yrs of age, they must not travel in the front seat on coaches, nor on the back seat of coaches.
