It is important for your own and your fellow guests' enjoyment that you can maintain the pace. We've provided a simple fitness test below, which will help you assess whether this holiday is for you:

You should be able to do the following:

- Walk for one hour at a reasonable pace (2 miles per hour) without needing to take a break to rest
- Climb two flights of stairs at a reasonable pace
- Stand unaided for an hour
- Stand up and sit down ten times in one minute
- Please ensure you are able to fulfil these fitness requirements, to ensure you get the very best from your holiday.

ITINERARY

Monk Coniston

With a desirable address overlooking Coniston Water (the inspiration for Arthur Ransome's 1930 novel, *Swallows and Amazons*), this characterful Grade II-listed house delights with lakeside and woodland walks from the doorstep, décor that stays true to the period feel, and plenty of Beatrix Potter references. While the children's author and illustrator did not live at the Monk Coniston estate (her beloved home was Hill Top, bought in 1905 with the royalties from *The Tale of Peter Rabbit*), she campaigned with the National Trust to save it from development. She then purchased the entire estate in 1930 and as the new owner she immediately sold half to the organisation, bequeathing them the other half in her will.

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.
