Dolserau Hall

We're delighted to share that Dolserau Hall has now reopened following a significant investment in this much-loved Welsh HF Country House. With beautifully updated social spaces, refreshed bedrooms, and thoughtful enhancements throughout, it's the perfect moment to rediscover this special spot in southern Eryri (Snowdonia). Read more. Dolserau Hall enjoys arresting countryside views at this Victorian manor house at the southern end of Snowdonia (Eryri) National Park. The location is idyllic; think ancient woods and craggy uplands in all directions (parts of the park served as the inspiration for Middle Earth in JRR Tolkien's *The Lord of the Rings*). There's no shortage of things to do, either, including following the Mawddach Trail along the edge of the Mawddach Estuary, discovering the compact range of hills known as the Rhinogs, and climbing the rugged foothills of Cader Idris – the highest mountain in southern Snowdonia (Eryri) at 893 metres. You'll also be close to Dolgellau, the small market town best known for its once flourishing woollen industry (ruins of the Pandy fulling mills used to remove fats and grease from the wool cloth can still be seen along the Afon Aran River). With only 21 rooms, it's one of HF Holidays' smaller country houses and 40% of it's rooms are reserved for singles, making it easier than ever to have your own space.

A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

Walking safety - SHARED WITH ALL

Walks may be changed for safety reasons and are subject to a maximum and minimum number of guests. Leaders always consider the safety of the group as a whole, and may need to alter or curtail the walk if the conditions dictate. Your leader may refuse to accept a guest where clothing, equipment or behaviour is unsuitable. In the event of a problem all leaders carry a mobile phone, first aid kit, group shelter, spare maps and a compass. Please note: If

you choose to leave the group your leader is no longer responsible for you. If you have a particular health condition or disability please put this on your guest registration form. This information will be confidential to your leaders and the house manager, but leaders do need to take account of any issues when planning walks. Please carry a copy of these trip notes with you, or note down the contact phone number for your accommodation (details in the travel section) should you need them in case of emergency.
