## The Peveril of the Peak

Named after Sir Walter Scott's Peak District-set novel, this characterful country house is less than a mile from the famous Dovedale Stepping Stones and on the doorstep of Thorpe Cloud - a cone-shaped limestone hill that offers impressive views over the rolling green landscape that forms the Staffordshire/Derbyshire border. Both are easily accessible from the rear of the property. There are plenty of big-name walking destinations nearby including the Roaches, the impressive Stanage Edge, and the Twelve Apostles - a group of rock spires best viewed from the limestone promontory known as Lover's Leap.

### A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

### Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

### Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

### The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.
