## TRIP SUITABILITY

### Trip suitability

Our Discovery holidays give you the opportunity to immerse yourself in the culture of the local area through **active sightseeing**.

On each Discovery day, you will be walking throughout the course of the day as you explore the venues and locations we visit. You'll also be hopping on and off the coach throughout - you should expect to spend the majority of the day on your feet. Most of this walking will be at attractions but some may be across country tracks or footpaths so be sure to **bring sturdy shoes**. There will also be stairs to climb in the majority of the venues you visit, though other more accessible options may be available. At some venues, there may also be uneven surfaces, such as cobbles or rocky paths.

## ITINERARY

### **Day 1:** Arrival Day

Check-in at the hotel is available from 16:00. If you are a member you can arrive at the house from 14:00. Enjoy a complimentary cream tea at 16:30 and meet other guests.

---

### **Day 2:** Tissington, Kedleston & Ashbourne

We kick off our day with a short stop in the village of Tissington before continuing to 18th-century Kedleston Hall, known for its fabulous interiors, designed for entertaining in style. Alongside its extensive gardens and parkland, there's lots to see here. To round off our day, we'll stretch our legs in Ashbourne, also known as the 'Gateway to Dovedale'.

---

### **Day 3:** Bakewell & Chatsworth Hall

After a morning stop in the market town of Bakewell, we make the short journey to Chatsworth House. It would be remiss of us to tour the Peak District and not stop at this icon of the area, which is home to the Duke and Duchess of Devonshire – try saying that five times fast! Its numerous appearances on the small and big screen have given Chatsworth one of the most recognisable frontages in the country, if not world. Behind the façade though, there's a vast collection of artworks, regal state rooms, and perfectly-appointed spaces.

---

### **Day 4:** Cromford Canals & Mills

On our final morning, we'll enjoy a return boat trip along the Cromford Canal, from the Wharf to Leawood Pump House and back. Later, we'll be arriving at Cromford Mills, a World Heritage Site and the cradle of the Industrial Revolution for the textile industry worldwide. There are various options for guests at the Mills so the time is yours to explore at will.

---

### **Day 5:** Departure Day

Enjoy a leisurely breakfast before making your way home.

## The Peveril of the Peak

Named after Sir Walter Scott's Peak District-set novel, this characterful country house is less than a mile from the famous Dovedale Stepping Stones and on the doorstep of Thorpe Cloud - a cone-shaped limestone hill that offers impressive views over the rolling green landscape that forms the Staffordshire/Derbyshire border. Both are easily accessible from the rear of the property. There are plenty of big-name walking destinations nearby including the Roaches, the impressive Stanage Edge, and the Twelve Apostles - a group of rock spires best viewed from the limestone promontory known as Lover's Leap.

### A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

### Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

### Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

### The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

### Safety Information - Discovery Tours/Discover More Tours

The itinerary may be changed for safety reasons. Leaders always consider the safety of the group as a whole and may need to alter or curtail the planned itinerary for the day if circumstances dictate. Your leader may refuse to accept a guest if fitness requirements are in doubt, or if clothing, equipment and behaviour are unsuitable. In the event of a problem all leaders carry a mobile phone and first aid kit. Please note: If you choose to leave the group your leader is no longer responsible for you. If you have a particular health condition or disability please put this on your guest registration form. This information will be confidential to your leaders and the house manager, but leaders do need to take account of any issues when planning. Please carry a copy of these trip notes with you, or note down the contact phone number for your accommodation (details in the travel section) should you need them in case of emergency.
