Welcome to the Constantinou Bros Hotel. Unpack and settle in.

Day 2: Birthplace of Aphrodite and the Pissouri Plateau

Day 3: Free Day (New Years Eve)

New Years Eve is a free day when no guided walks are offered. This is an ideal opportunity to relax at the hotel, walk independently, or visit local places of interest. In the evening, the hotel will provide a wonderful festive dinner complete with a welcome aperitif and a glass of wine. Free day suggestions include: Paphos Waterfront Stroll along the promenade to the harbour and enjoy a drink overlooking the town's imposing castle. Some of the best restaurants and cafés are located here, most of which offer superb views of the sea. Pano Paphos (Upper Paphos) Known locally as Ktima or Pano Pahos, this part of town is characterised by its beautiful, white-washed houses and busy shopping scene. Keep your eyes peeled for the striking street art that lends the place a splash of colour. Paphos Archaeological Park (Nea Paphos) Backed by the blue waters of the Mediterranean Sea, this outstanding UNESCO World Heritage Site features extensive Greco-Roman ruins and incredibly well-preserved mosaics depicting Greek mythology. Believed to have been in use as far back as the 3rd century BC, the Tombs of the Kings (a network of ancient underground burial chambers) are just one of the many highlights.

Day 4: Free Day (New Years Day)

Happy New Year. Celebrate New Year's Day by enjoying the hotel facilities or exploring Paphos. Get involved in a selection of festive-themed hotel activities, unwind by the pool, share a drink at the bar, or relax in your room. In the evening you can expect entertainment such as live music and dancing.

Vaccinations & health information - SHARED WITH ALL EU NEW 2026

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel. As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure. Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting. For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passport & Visa information - SHARED FOR ALL EU NEW 2026

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice. **Passport Requirements** This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long. We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues. If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website. **Visa Requirements** Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling. British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website: <https://www.gov.uk/foreign-travel-advice>
