HOLIDAY OVERVIEW

The impressive Tatra Mountains take centre stage on this walking holiday in Poland – and they're one challenge every walker wants to tick off the list. The crowning glory of the Carpathian Mountain range rises to heights of up to 2,000 metres and over 300 peaks form a formidable border with neighbouring Slovakia. You'll have the chance to ascend the scenic Boczan Ridge via the rugged Karb Pass and Black Lake, climb the popular summit of Giewont, and take a cable car ride over the borderlands. And given the park's status as a UNESCO Biosphere Reserve, there's the chance to spot chamois, wild lynx, and even Carpathian brown bears, too.

Vaccinations & health information - SHARED WITH ALL EU NEW 2026

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel. As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure. Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting. For further country-specific health advice, visit www.fitfortravel.nhs.uk or www.traveldoctor.co.uk. If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

Passport & Visa information - SHARED FOR ALL EU NEW 2026

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice. **Passport Requirements** This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long. We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues. If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website. **Visa Requirements** Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling. British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website: <https://www.gov.uk/foreign-travel-advice>
