## Abingworth Hall

Country living just got cosier at this former farmhouse. Abingworth Hall is just a skip away from the village of Thakeham at the foot of the South Downs – a landscape of ancient woodland, hidden valleys, chalky cliffs, and high-backed hills so deserving of its national park status finally bestowed in 2010. While the views from the doorstep are as wow-worthy as you'd expect, the walking opportunities around the sightseeing greats such as Devil's Dyke, Seven Sisters Country Park, Kingley Vale, Parham House, and the Clayton Windmills (known locally as Jack and Jill) are equally standout. You'll also be within easy driving distance of several historic towns and cities, most fabulously Arundel, Chichester, and Brighton.

### A warm welcome

We want you to feel comfortable from the moment you arrive. You'll find a welcome pack in your room with guest registration forms, menus, order forms for dinners and picnic lunches, the Wi-Fi password, and the front door code. Our houses are locked at night, so we recommend noting the Duty Manager's number on arrival in case of an emergency (or getting locked out).

### Evening entertainment

While evening entertainment varies from house to house, HF Holidays Inter-House Quiz night held after dinner on Wednesdays is a weekly staple. Your HF Holidays leader may be around for tips on guided and self-guided walking routes as well as visit-worthy local attractions.

### Walks talks

Our HF Holidays walk leaders host guided walking information briefings before dinner on guided walking holiday arrival days. This is followed by a group Walks Talk for information on the following day's guided walks (held before dinner every evening). Self-guided walking guests are, of course, welcome.

### The walking day

Prior to setting off on guided walks, your HF Holidays Leader will run you through a short safety briefing. There's also an up-to-date weather forecast on display at the house to ensure you have appropriate clothing and footwear. If you choose to do your own walks or are on a self-guided walking holiday, we ask that you please complete an Independent Walker Card each day. These can be found near the Discovery Point in the house.

### Walking safety - SHARED WITH ALL

Walks may be changed for safety reasons and are subject to a maximum and minimum number of guests. Leaders always consider the safety of the group as a whole, and may need to alter or curtail the walk if the conditions dictate. Your leader may refuse to accept a guest where clothing, equipment or behaviour is unsuitable. In the event of a problem all leaders carry a mobile phone, first aid kit, group shelter, spare maps and a compass. Please note: If you choose to leave the group your leader is no longer responsible for you. If you have a particular health condition or disability please put this on your guest registration form. This information will be confidential to your leaders and the house manager, but leaders do need to take account of any issues when planning walks. Please carry a copy of these trip notes with you, or note down the contact phone number for your accommodation (details in the travel section) should you need them in case of emergency.

## Packing list - UK Guided Walking

The UK has a famously unpredictable climate so it's best to be prepared for weather that's sunny one minute and raining the next. To make it easier, here's a list of items you should consider packing. Essentials Suitable footwear such as waterproof walking boots that provide ankle support and good grip Waterproof and windproof jacket Comfortable clothing (jeans & waterproof capes are not suitable) Mid-layer(s) to keep you warm. Fleeces make a good choice Waterproof overtrousers Gloves and a warm hat Rucksack with waterproof liner Flask for hot drinks Water bottle (at least 1 litre capacity) Sunscreen UV sunglasses For holidays operating October through to the end of March, please also bring the following on your walks: spare warm clothing spare high energy food head torch and spare batteries please note for the October to March season your waterproof jacket needs to offer a high level of waterproofing and wind resistance, and a hood. Look for a waterproof jacket with sealed/taped seams and a minimum HH (hydrostatic head - this is the rating given on waterproof jackets) of 10,000mm+ Recommended Several base layers (long-sleeve or short-sleeve) Cushioned walking socks to avoid blisters First aid kit, including plasters and insect repellent Sit mat Waterproof pouch for valuables Rubbish bag (remember to always leave no trace) Wallet/purse Camera Walking poles
